

Terms & Conditions

CONDITIONS OF SERVICE

All Hike and Bike Snowdonia courses are carried out by suitably qualified and experienced staff.

Whilst every reasonable attempt will be made to deliver courses, Hike and Bike Snowdonia reserves the right to cancel or modify the courses due to weather, safety considerations and/or factors beyond our control.

LIABILITY AND INSURANCE

Hill walking, climbing / mountaineering and mountain biking are potentially dangerous activities. All participants must be aware of this and accept the risks associated with these activities.

Whilst Hike and Bike Snowdonia undertakes its safety responsibilities seriously, responsibility for injury or illness arising from hill walking, climbing / mountaineering or mountain biking can only be accepted if caused by negligence on the part of Hike and Bike Snowdonia, its servants or agents.

Hike and Bike Snowdonia is under no liability whatsoever in respect of loss or damage to property, however caused, whilst on a course or activity arranged by Hike and Bike Snowdonia.

Participants are strongly advised to arrange their own insurance cover. Hike and Bike Snowdonia is unable to offer any form of insurance cover (other than public liability).

HEALTH AND SAFETY CONSIDERATIONS

Due to the strenuous nature of our courses and events, all participants should be reasonably physically fit. Anyone with a medical condition must seek medical advice before considering participating. They should also make Hike and Bike Snowdonia aware of this prior to the course date.

Relevant consent forms will need to be completed before any person commences any Hike and Bike Snowdonia course or activity.

Although we are animal lovers and encourage them in the outdoors, we also understand that not everyone feels the same. Some people are genuinely nervous around dogs or other animals and others may be allergic to them. We also access farmland and have very good relations with farm and landowners who always insist on animals being on leads whilst on their land.

Therefore, we prefer if they are not part of our activities to ensure everyone on the activity gets the most out of their experience. Please get in touch to discuss animal / pet inclusive activities.

All participants must be over 18 years old or over 14 years old and accompanied by an adult with parental responsibility. Younger ages can be accommodated with prior agreement.

Please inform us if anyone under 18 wishes to participate.

Hike and Bike Snowdonia reserves the right to refuse participation to anyone considered to be under the influence of alcohol or drugs.

Hike and Bike Snowdonia staff may require any participant to leave the course if that person acts in any such manner as to endanger him/herself or any other person.

We encourage our clients to take photos and videos of their activities and experiences with us as well as sharing on social media. However, Go Pro devices, drones or similar are not to be used on our courses by clients without written approval as they can be a distraction to both the user and others. They can also affect the safety of the user and others as well as their privacy. There is suitable guidance in place for best practise on the use of drones. Please contact us if you wish to use these devices on any of our activities or courses.

DISABILITIES

Disabled or less able persons are welcome to participate in our courses. Please send details of your specific needs to Hike and Bike Snowdonia at the time of booking or get in touch to discuss prior to booking.
