YOUNG PERSON CRITERIA

We understand that every young person learns differently, and sometimes they need a space where they can grow in confidence, build new skills, and feel supported. Our provision is designed for children and young people who:

- Are in Key Stage 2, 3 or 4 (ages 7-16)
- May be on a reduced school timetable
- Split their learning between school and other settings
- Are home educated but benefit from group learning and structured activities
- Have an EOTAS pathway (Education Other Than At School)
- Are able to join in and socialise safely with others
- We provide a safe, nurturing environment where your child can enjoy learning, develop life skills, and build positive friendships

Please note: We aim to support as many young people as possible, but placements can only continue if a child's needs remain suitable for a group environment. If a young person requires 1:1 support at all times, we may reassess their position at any time
